

Index of contents

Range of Pfeiffer AT-Quarter turn actuators		1
• Data sheet of the AT-Quarter turn actuator Series 31a	(TB 31a_EN)	
• Specification sheet of the AT-Quarter turn actuator Series 31a	(DB 31a_EN)	
• Data sheet of the pneumatic-Quarter turn actuator Series 30a	(TB 30a_EN)	
Advantages of the AT-Quarter turn actuator		2
• The new Series 31a	(DS 31a-ka03_EN)	
Principle of function and design		3
• The principle of the double acting actuator Series 31a	(DS 31a-ka04_EN)	
• The principle of the single acting actuator Series 31a		
Description of the AT-Quarter turn actuator Series 31a		4
• Description of the AT-Quarter turn actuator	(DS 31a-ka06_EN)	
• Range of AT-Quarter turn actuators		
• Technical data of the AT- Actuators DAP/SRP 6 to DAP/SRP 10000		
• Part list of the AT- Actuators DAP/SRP 6 to DAP/SRP 10000		
Description of the special AT-Quarter turn actuators		5
• Actuator series 31a, turning angle 120°/180°	(DS 31a-ka09_EN)	
• 3-Position actuator, series 31a, turning angle 90°		
• 3-Position actuator, 31a, turning angle 180°		
• Actuator, series 31a, turning angle 180°, spring return		
• Actuator series 31a with hydraulic turning speed adjustment		
• Stainless steel-turn actuator series 31a		
Accessories for AT-Quarter turn actuators		6
• Stainless steel adaptor and diverse attachment parts	(DS 31a-ka11_EN)	
Manual gear box		7
• Technical data for the emergency hand gear box for series 31a	(DS 31a-ka07_EN)	
Brackets and Drivers		8
• Coupling and drivers, are connections between actuator and valve	(DS 31a-ka10_EN)	
Operating-, assembly and maintenance instructions		9
• Pfeiffer AT - Turn actuator series 31a	(EB 31a-ka01_EN)	
• Safety closure for Pfeiffer AT-turn actuator series 31a	(EB 31a-ka02_EN)	
• Pfeiffer diaphragm turn actuator series 30a	(EB 30a-ka01_EN)	
Appendix		10
• Quality management system, according to DIN EN ISO 9001	(DS 9001_EN)	
• Quality safety system, according to guidelines 97/23/EG	(DS CE-H_EN)
